

# ORGAN GALA 2018

## St Mary's Cathedral, Palmerston Place

A celebration of the magnificent 1879 'Father' Henry Willis organ in advance of its restoration by Harrison and Harrison in 2019. The concert will feature performances by distinguished Edinburgh organists in a varied programme of popular original organ works, orchestral transcriptions and chamber music with other instruments and singers. The audience will have a bird's eye view of the console courtesy of a big screen projection. The Gala will also be an occasion for us to thank those individuals and organisations who have already generously supported our organ fundraising appeal.

7pm | 12th October 2018 | Free admission
